TRAFFIC ADVISORY

The Bangalore Development Authority (BDA) has undertaken the construction of a Four-Lane Elevated Corridor on Ballari Road, from UAS Staff Quarters to Mekhri Circle, which is falling within the jurisdiction of Sadashivanagar and Sanjaynagar Traffic Police Stations.

The construction work is scheduled to be carried out for a period of 18 months with effect from 06.11.2026. As the ongoing construction work is likely to cause traffic congestion on Ballari Road, and in order to facilitate the smooth movement of traffic, the movement of all types of goods vehicles, including Light Goods Vehicles (LGVs), Medium Goods Vehicles (MGVs) and Heavy Goods Vehicles (HGVs), as well as KSRTC and private buses, has been completely prohibited on Ballari Road.

Therefore, vehicles travelling via Hebbal towards Kempegowda International Airport and Bengaluru City, including emergency vehicles, are advised to use the following alternative routes mentioned below.

Vehicles Proceeding towards Kempegowda International Airport via Hebbal :

1. Vehicles proceeding towards Kempegowda International Airport are advised to take the route via Old High Grounds Junction – Kalpana Junction – Old Udaya TV Junction – Cantonment Railway Station – Tannery Road – Nagawara Road, and proceed towards the International Airport.
2. Vehicles travelling from Yeshwanthpur towards the International Airport are advised to proceed via Mattikere Road, take a right turn at BEL Circle and continue via Ring Road towards the International Airport.

Vehicles Proceeding towards Bengaluru City from Kempegowda International Airport via Hebbal:

1. Vehicles travelling from the International Airport towards the central parts of Bengaluru City are advised to take a left turn at Hebbal, proceed towards Nagawara Junction, take a right turn and continue via Bamboo Bazaar and Queens Road towards the city.

2. Alternatively, vehicles travelling from the International Airport towards the central parts of Bengaluru City may take a right turn at Hebbal and proceed via Hebbal Ring Road – Kuvempu Circle – Goraguntepalya Junction. At Goraguntepalya Junction, they should take a left turn and continue via Dr. Rajkumar Road towards the city.

3. Vehicels travelling from Yeshwanthpur towards the central parts of Bengaluru City are advised to proceed via BHEL Junction, take a right turn near Maramma Circle and continue via Margosa Road towards the city.

4. Vehicles travelling from Hebbal towards Bengaluru City are advised to enter the service road in front of Baptist Hospital after descending the Hebbal Flyover and continue along the service road up to CBI Junction. Thereafter, they may proceed towards Bengaluru City via Ballari Main Road.

5. Vehicles travelling from Hebbal towards Anand Nagar and R.T. Nagar are advised to enter the service road in front of Baptist Hospital, proceed towards Anand Nagar Cross and take a left turn at CBI Junction to join Anand Nagar Main Road. They may thereafter continue towards R.T. Nagar and Jayamahal Road.

Public are requested to co-operate
